Helpful advice on preparing artwork

To ensure the best a quickest results when submitting your artwork here's a little list of things to bear in mind:

1. File Formats. We can accept various file formats for artwork including:

- .pdf** (portable document format)*
- .ai** (adobe illustrator file)*
- .eps** (encapsulated post script)*
- .bmp** (bitmap)
- .jpeg** (joint photographic experts group)
- .png** (portable network graphics)
- .psd** (photoshop document)

* Preferred formats

2. Resolution. Please use high resolution images. (we recommend 300 dots per inch as a minimum).

3. Text/Fonts. To avoid missing font issues please either:

Convert your text to outlines

or,

send the relevant font files with your artwork.

4. Template lines. Please create your artwork on a different layer to the cut, bleed and fold lines. If you're saving to a single layer file such as a Jpeg then remove these lines when you have positioned your elements and before sending us your artwork.

5. Traceability

Ingredients label information: A label with the ingredients, nutritional information, weight, allergen information and best before date will be placed on the underside of the box base. We are also required to put traceability information on this label if your product is for resale. **So please let us know what Company name and postcode you would like us to print on the label. Please don't forget this!** (It's a legal requirement).

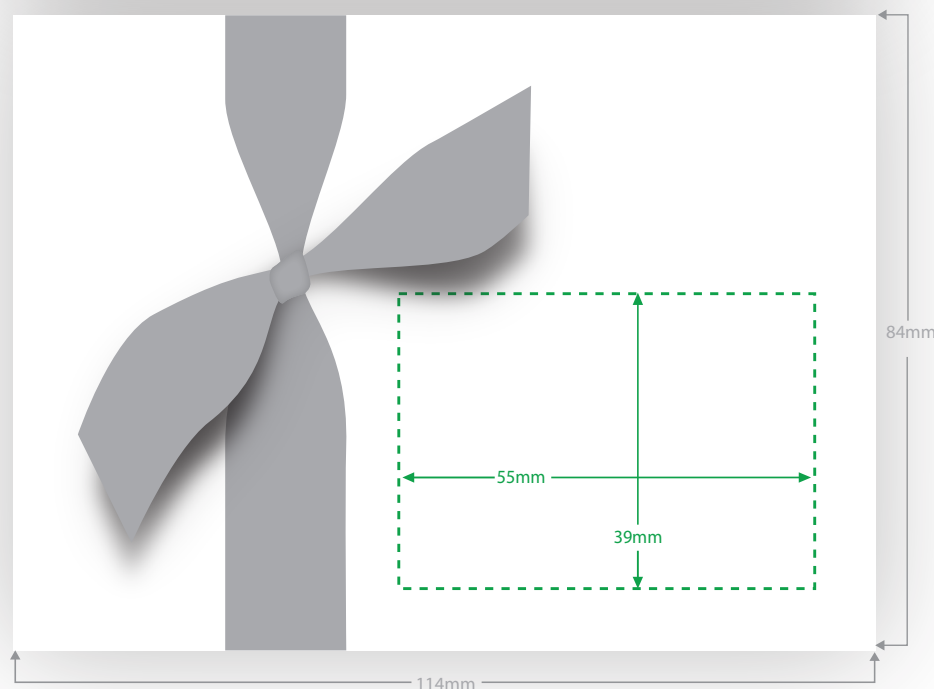

"If you're selling food in Great Britain (England, Wales and Scotland), you must also include the name and address of the UK or EU business responsible for the information on the food. If the business is not in the UK or EU, you must include the name and address of the importer."
