Helpful advice on preparing artwork for chocolate graphics

To ensure the best & quickest results when submitting your artwork here's a little list of things to bear in mind:

1. File Formats. We can accept various file formats for artwork including:

- .pdf** (portable document format)*
- .ai** (adobe illustrator file)*
- .eps** (encapsulated post script)*
- .bmp** (bitmap)
- .jpeg** (joint photographic experts group)
- .png** (portable network graphics)
- .psd** (photoshop document)

* Preferred formats

2. Resolution. Please use high resolution images. (we recommend 300 dots per inch as a minimum).

3. Text/Fonts. To avoid missing font issues please either:

Convert your text to outlines

or,

send the relevant font files with your artwork.

4. Template lines. Please create your artwork on a different layer to the cut, bleed and fold lines. If you're saving to a single layer file such as a Jpeg then remove these lines when you have positioned your elements and before sending us your artwork.
