

**Job Title: Artworker / Graphic Designer**

**Location: Skegness**

**Employment: Full-time**

**Industry: Food & Beverage – Confectionery**

### **About Us**

Hames Chocolates Ltd is a leading British chocolate manufacturer known for producing a wide array of high quality chocolate products, including bars, truffles, lollipops, Advent calendars, Easter eggs, and cake decorations. Our company culture emphasises commitment, openness, courtesy, acknowledgement, and reward for our valued employees across various departments.

We value hard work, creativity, and dedication. Join our team and be part of a company that fosters growth and innovation in the chocolate industry.

We're seeking a passionate and detail oriented **Artworker / Graphic Designer** to join our creative team and bring our brand and our customers brands to life across packaging, promotional materials, and digital content.

### **Role Overview**

As an Artworker / Graphic Designer, you will be responsible for producing high quality artwork and design assets across various platforms. You'll work closely with our sales, marketing and product development teams to create visually engaging materials that reflect our brand's identity and enhance our customer experience. This role is for an enthusiastic, loyal person who would like to grow and build a future within our company.

### **Key Responsibilities**

- Create and adapt artwork for private label customer and Hames packaging and labels
- Design marketing materials including brochures, posters, social media assets, and email campaigns
- Ensure all artwork adheres to brand guidelines and is production ready
- Collaborate with printers and packaging suppliers to ensure correct file formats and colour specifications
- Support the product team with concept development for seasonal or new product ranges as required
- Retouch and edit product photography for use in print and online
- Maintain and organise design assets and artwork files

**Requirements**

- Proven experience as an Artworker, Graphic Designer, or similar role
- Proficiency in Adobe Creative Suite (Illustrator, Photoshop)
- Solid understanding of print production processes and digital design best practices
- Strong attention to detail and ability to manage multiple projects simultaneously
- Excellent communication and time management skills
- A creative mindset with the ability to work within a brand framework

**Desirable**

- Interest in food, confectionery, or luxury products
- Photography editing skills
- Knowledge of 3D design may be an advantage

**What We Offer**

- A delicious work environment
- Employee discounts on all our chocolate products
- Professional development opportunities
- Free onsite parking
- 28 days annual leave (includes bank holidays)
- Salary by experience
- \*Free access to award winning Employee Assistance Program provided by Health Assured

\*this is not a contractual benefit

**To Apply:**

If you're passionate about the chocolate industry and have the skills to develop and grow key accounts, we'd love to hear from you! Please submit your CV and a brief cover letter detailing your relevant experience.

Note: Only shortlisted candidates will be contacted.
